

Access your processing data in real time from anywhere, quickly and securely.

**WITH FIRSTVIEW, YOU CAN DISCOVER A NEW LEVEL OF:**

- Simplicity
- Security
- Convenience in managing your processing data

With FirstView™ you can see detailed reports of your processing activity, down to the transaction.

**This user-friendly tool allows you to build reports based on monthly, daily or even individual transactions.**

Reports are complimentary with an AppStar Financial partnership and include several benefits:

- All functions available 24/7
- View merchant statements online
- Transaction, chargeback and retrieval reports all at your fingertips
- Choose to view a single location or multiple locations on one report
- Access your information anywhere you use the Internet
- Advanced encryption keeps your sensitive data safe from prying eyes
