

GROW REVENUE WITH OUR FLEXIBLE GIFT CARD PROGRAM

A gift card program is the ideal way to boost revenue by generating sales and acquiring new customers.

First Advantage

Benefits to your Business:

- Increased revenue – consumers typically spend 20% more when they have a gift card
- Monetize the popularity of gift card giving
- Increased ticket value at check out
- Built-in security to reduce fraud
- Real-time online reporting

Features of the program

- Designed for any size or type of business
- 24-48 hour turn around on standard gift card design options
- Multiple use cards – can be reloaded and reissued
- Merchants with multiple locations can use the same program at all locations with the ability to have all revenue pooled into a central account
- Don't have access to your counter-top terminal, no problem. You can process transactions anywhere, anytime using your smart phone or web browser through the FirstAdvantage app.

CUSTOMERS SPEND ALMOST
20% MORE THAN THE AMOUNT
THEY HAVE ON THE GIFT CARD
