

WANT A DETAILED ACCOUNT OF ALL YOUR MERCHANT ACTIVITY?

FirstView® offers merchants robust reporting features and easy navigation. It's at your fingertips, down to each individual transaction with advanced encryption keeps your sensitive data safe and provides peace of mind.

Click the “New Account/Forgot Password” button. Enter the required information, and a password will be emailed to you. That’s it! Check your email for your password and return to www.FirstView.net to access your newly enhanced statement and online tools.

THE HOME SCREEN HAS A QUICK LINKS SECTION TO VIEW REPORTS, STATEMENTS AND TRANSACTION DETAILS:

- Transactions
- Settlement Detail
- Authorization Detail
- Chargeback Detail
- Retrieval Request Details
- ACH Deposits Transaction Summary
- Debit Transaction Summary
- Debit Card Detail
- View and Print Statements
- Forms Commonly Used by Merchants

Analyze your processing sales volume in a variety of ways. Securely access statements and reporting online any time from anywhere. Review customized reports based on monthly, daily, or even individual transactions.
